3:12-CV-1341-P-BK

**FINDINGS, CONCLUSIONS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Pursuant to the provisions of 28 U.S.C. § 636(b) and Special Order 3, this case was referred to the United States Magistrate Judge. For the reasons that follow, it is recommended that this action be dismissed without prejudice for want of prosecution.

I. BACKGROUND

Plaintiff filed a *pro se* complaint against Defendant GMAC Mortgage. On May 4, 2012, the Court issued a deficiency order requiring him to fill out completely the AO-239 Form and to submit a complaint in compliance with FED. R. CIV. P. 8(a). The deadline for Plaintiff's response was May 31, 2012. However, as of the date of this recommendation, Plaintiff has not responded to the Court's deficiency order, nor has he sought an extension of time to do so.

II. DISCUSSION

Rule 41(b) of the Federal Rules of Civil Procedure allows a court to dismiss an action *sua sponte* for failure to prosecute or for failure to comply with the federal rules or any court order. *Larson v. Scott*, 157 F.3d 1030, 1031 (5th Cir. 1998). "This authority flows from the court's inherent power to control its docket and prevent undue delays in the disposition of pending

cases.” *Boudwin v. Graystone Ins. Co., Ltd.*, 756 F.2d 399, 401 (5th Cir. 1985) (citing *Link v. Wabash R.R. Co.*, 370 U.S. 626 (1962)).

Plaintiff has been given ample opportunity to respond to the Court’s deficiency order. He has impliedly refused or declined to do so. Therefore, this action should be dismissed without prejudice for lack of prosecution. *See* FED. R. CIV. P. 41(b) (an involuntary dismissal “operates as an adjudication on the merits,” unless otherwise specified).¹

III. RECOMMENDATION

For the foregoing reasons, it is recommended that this action be **DISMISSED** without prejudice for want of prosecution and that Plaintiff’s motions for leave to proceed *in forma pauperis* and to appoint counsel (Doc. 5, 6) be **DENIED** as moot.

SIGNED June 12, 2012.

RENÉE HARRIS TOLIVER
UNITED STATES MAGISTRATE JUDGE

¹ Absent a proper complaint, the Court cannot determine when the events at issue in this case occurred. Thus, it is unclear whether the higher standard for dismissal with prejudice for want of prosecution would be applicable in this case. *See Callip v. Harris County Child Welfare Department*, 757 F.2d 1513, 1519 (5th Cir. 1985).

**INSTRUCTIONS FOR SERVICE AND
NOTICE OF RIGHT TO APPEAL/OBJECT**

A copy of this report and recommendation will be served on all parties in the manner provided by law. Any party who objects to any part of this report and recommendation must file specific written objections within 14 days after being served with a copy. *See* 28 U.S.C. § 636(b)(1); FED. R. CIV. P. 72(b). In order to be specific, an objection must identify the specific finding or recommendation to which objection is made, state the basis for the objection, and specify the place in the magistrate judge's report and recommendation where the disputed determination is found. An objection that merely incorporates by reference or refers to the briefing before the magistrate judge is not specific. Failure to file specific written objections will bar the aggrieved party from appealing the factual findings and legal conclusions of the magistrate judge that are accepted or adopted by the district court, except upon grounds of plain error. *See Douglass v. United Services Automobile Ass'n*, 79 F.3d 1415, 1417 (5th Cir. 1996).
